Customer Problem Statement Template:

Create a problem statement to understand your customer's point of view. The Customer Problem Statement template helps you focus on what matters to create experiences people will love.

A well-articulated customer problem statement allows you and your team to find the ideal solution for the challenges your customers face. Throughout the process, you'll also be able to empathize with your customers, which helps you better understand how they perceive your product or service.

I am	Describe the customer without any obvious attributes, who are they?	Describe the customer and their attributes here
I'm trying to	List their objective or "job" that motivates them - what are they trying to achieve?	List the thing they are trying to achieve here
but	Describe what problems or barriers stand in the way - what's getting in their way?	Describe the problems or barriers that get in the way here
because	Enter the "root cause" of why the problem or barrier exists - what needs to be solved?	Describe the reason the problems or barriers exist
which makes me feel	Describe the emotions from the customer's point of view - how does it impact them emotionally?	Describe the emotions the result from experiencing the problems or barriers

Example:

Problem Statement	I am (customer)	I'm trying to	But	Because	Which makes me feel
Ps-1	A customer	Find answers to my questions quickly	I cannot find the correct answers easily	FAQs are difficult to search manually	Frustrated and confused
Ps-2	A support team member	Provide quick answers to customer questions I	spend too much time answering repeated questions	There is no automated FAQ system	Stressed and overwhelmed
